### Producers Notes

It's always a pleasure to direct an Upham Players' panto, but this must be one of my favourites! What a joy to have the experience of our long-established members, and the energy and enthusiasm of our younger members! A winning combination I hope you'll agree. Thank you for supporting us in our 41st year – as always, audience participation is crucial! Oh yes it is....!

# Cinderella

All the action takes place in the Baron's kitchen with brief visits to the Prince's Bedroom, the Woods and the Ballroom – see if you can guess where you are!

This panto was written for a large cast – we haven't got one so you, our lovely audience, will be asked to join in now and again! With that in mind, here are some of the words to some of the songs – please join in!

## 500 miles

But I would walk 500 miles  
And I would walk 500 more  
Just to be the man who walks a thousand miles  
To fall down at your door  
Da da da (da da da)  
Da da da (da da da) etc...

## Life's a Happy Song

Life's a happy song, when there's someone by your side to sing along  
I've got everything that I need – right in front of me  
Nothing's stopping me  
Nothing that I can't be  
With you right here next to me  
I've got everything that I need – right in front of me  
Nothing's stopping me  
Nothing that I can't be  
With you right here next to me  
You've got everything that you need – right in front of you  
Nothing's stopping you  
Nothing that you can't do you  
That the world can throw at you  
Life's a happy song  
When there's someone by your side to sing  
Life's a happy song  
When there's someone by your side to sing  
Life's a happy song  
When there's someone by your side to sing along
