Producer's notes.

I thought I had seen the back of Lord and Lady Berrington and Inspector Gough after the last Murder Mystery, however I was persuaded to give them one final (probably) outing. It was nice to catch up with their latest exploits. As always, thanks go to my brother Martin for his help with the script.

I am lucky to have such a talented cast & crew and to introduce two new members of Upham Players to our audiences, Sarah Baird and Kate Gilbert. Backstage, many thanks go to Jason on lights, Stage Manager Liz and the unflappable duo, Cyn and Derek.

Huge thanks also to Vicky Gardner and Tom Banks for taking on the mammoth task of catering. I doubt they will be able to look at another lasagne for months!

On Saturday evening all profits from our performance will be donated to Love4Life, a friendship group for young adults with learning difficulties and autism. The club provides activities, outings and a safe, social space for their members.

I am extremely grateful to Bishops Waltham Rotary Club for generously sponsoring the hall hire and catering costs for Saturday's performance and to you, our audience for supporting us. *Shelley Pitter*

November 2024

Welcome to Skyflight Airways Departure Lounge

Our fleet of modern and well-equipped aircraft, staffed by highly trained pilots and crew, are waiting to whisk you away to your destination.

Choose us to fly to many exciting cities, perhaps a shopping trip to Paris or New York, or sightseeing in Brussels, Barcelona or Rome. Wherever you decide to go, we will be there to help you have a relaxing and enjoyable flight experience.

This month we will be welcoming many famous faces onboard. Star of stage and screen Daniel Radcliffe, will be travelling to join the set for his latest film. Jane McDonald will be flying with us to embark on her next cruise and one of the UK's top Influencers Amelie "Asks" is a frequent flyer, travelling to New York to produce her latest podcasts.

In November we will be joined by Celebrities, Lord and Lady Berrington. You may remember that over the years, the Berringtons have suffered the misfortune of being involved in several notorious murder enquiries. During a recent investigation, their Lord and Ladyship were "discovered" by the media following a tv interview and since then they have become major celebrities. Lady Berrington, Bunty to her friends, is well known for her dry wit and uncompromising manner. Just home following a successful appearance on "I'm a Celebrity Get me out of Here!", where her Ladyship certainly caused a "Rumble in the Jungle", she and Lord Berrington are travelling to New York for a round of TV interviews.

We will endeavour to make your wait in the Departure Lounge a pleasant one.

Bon Voyage from your Skyflight Team!
